ASU Homecoming Static Display

=====

This Saturday, Oct. 29, will be the Base's first appearance at Arizona State University's Homecoming as a static display.

Time: 11:30 a.m. to 3:30 p.m.

Location: Student (ST) zone, in **parking lot #60 next to 2 sets of bleachers** (*see attached map right side, top*)

Suggested way to get there: Take Rural Road to University and then west on University.

Shipmates, this has got to be one of the most innovative and influential events to which we have been invited. Think of our USSVI Creed, ". . . to perpetuate the memory," and then realize the potential audience!

I urge all members who can to attend.
