## Subject: Changes to the Perch Base Web Page

---------------------------------------------------------------------------------------------

The Perch Base web page is a primary tool for our Base members. To make it easier and more convenient to use for everyday reference, I have added some "hot links" right on the main page (http://www.perch-base.org).

On the left side of the page, just under the "Hot Items," are links to the following Base Documents:

1. Base Constitution and Bylaws
2. Display Checklist
3. Expense Report Template *(you must save it on your computer to use it.)*
4. Float Safety Checklist
5. Base Policies and Procedures Manual
6. Sailing List Form

If you like this change and find it helpful, let me know. If you hate it, let me know too.
