Subject: Veteran Non Profit Telemarketers

Recently an organization called "U.S. Veterans Home Corps" moved into the same facility that our Central Offices are located in. They are a telemarketing group that promises money donated goes to Veteran Housing. I cannot say whether or not they are legit, however, none of the staff they have are Veterans, none appear to do anything other than solicit money through telemarketing. What I can say for sure is that they are not in any way affiliated with U.S.VETS. Please spread the word. Their location is 3001 W. Indian School Rd. suite 201.

Sincerely,
