Flash Traffic

Number: #6-06-2015 **Date:** 6/24/2015
Subject: Heather Pittman Closer to Sub School

As reported in Navy Times, Perch Base Associate Member Heather Pittman has made the short list of alternates to be one of the first enlisted female submarine crew members. If a primary candidate can't make the grade to New London (figuratively) Heather has a top-level chance to be in. Good luck, Heather. Your shipmates here at Perch Base know you would be a great additional to the Silent Service.
