(Left-click address, above, for a Google map to the staging area.)

Take Litchfield Road south off of I-10 past the traffic lights at Auto Drive and Van Buren to the next traffic light which is Western Ave on the left and Yuma Road on the right. Continue past the Goodyear Tire Store to the SECOND entrance into the large parking lot on your left and park in the back or right side after entering.

The parade entries will be on the left side of that driveway.

There will be a shuttle bus from the de-staging area back to this lot at the end of the parade. There is a good chance those riding in vehicles will be able to go directly back to the staging area without offloading passengers.
