Subject: Arizona Silent Service Memorial Update

Shipmates, we have officially broken ground and construction is progressing quickly on the Arizona Silent Service Memorial.

We are in need of volunteers to be on site at the Wesley Bolin Plaza on a few dates to supervise and provide approval for specific construction items. These are in respect to the proper placement of items in a specific order. We have a written plan that will be provided to all volunteers. I am confident that all Submariners are capable of this task since we all read drawings and tabs to qualify in Submarines.

Please consider donating some time. The first date needed is this coming Wednesday, August 12th and is related to building the wall. The bricks are printed and must go up in a specific sequence. The hours needed on site are 0600 to 1400. If you can take an hour or 2 hours or more please contact me at 619-208-8986 or marcus.d.hensley@gmail.com.

The next set of dates will be the week of 8/31. The printed pavers will be laid that week and we will need someone on site all week with the same hours. The third time frame will be for mounting the plaques which is scheduled for 9/3 and 9/4.

This is an official email communication from the USSVI Perch Base and does not require a response.
